

Design without limits! **SARDINIA** Indoor-Outdoor, a key topic of the new spring 2024 collection from JAB ANSTOETZ Fabrics, makes it possible: **SARDINIA** can be used in an urban environment, in a country-house atmosphere or in typical outdoor areas such as around the pool. In combination with carpets from JAB ANSTOETZ Flooring, it creates atmospheric outdoor spaces.

The upholstery fabric collection was developed with a casual look in mind. The light base colours and the soft feel are reminiscent of natural fibres. There is a choice of six patterned articles, a plain bouclé with a voluminous look, an outdoor velvet and an outdoor curtain. All fabrics are made from spun-dyed recycled material and therefore belong to the ColorProtect and Eco-Protect ranges. They look good, are weather-resistant and easy to care for. The atmospheric colour palette ranges from bordeaux and coral to shades of linen, grey, corn yellow, lime green and aqua. **SARDINIA** brings an extra portion of charm to the interior. It inspires a sense of well-being both indoors and outdoors.

“The **SARDINIA** Indoor-Outdoor collection excites me with its natural, casual look and its pleasant feel. We only use recycled yarns”, Thomas Fenn, Design & Development JAB ANSTOETZ Fabrics.

The tactile plain **OLBIA** in a twill weave is available in nine colours. **CERVO** hits the nerve of the times with its casual stripes. The fluffy fancy yarn adds a fashionable touch to the herringbone design. Small irregularities are welcome! Has what it takes to become a classic: with **PORTO PINO**, a herringbone design is formed into two-colour contrasting block stripes. **CAGLIARI** features narrow stripes in a twill weave. **CERASO** has a relief effect thanks to the contoured spot colours. **MADDALENA** is a small, versatile medallion design. The plain bouclé **NUORO** with a total of eight colourways enriches all colour families. Subtle light and dark contrasts lend the voluminous fabric additional depth. The room-high curtain voile **CALETTA** captivates with its soft feel, a subtle stripe effect and, in particular, with its natural, linen-like look.
